## Additional Expense Request Application

### *Computer Cost Allowance*

Name: \_\_\_\_\_

EKU ID: \_\_\_\_\_

Term: (circle one)      Fall                  Spring                  Summer

Computer Amount Request (Max. \$1,000): \_\_\_\_\_

Signature: \_\_\_\_\_

Date: \_\_\_\_\_

I, the above signed, understand that by requesting an additional expense allowance for a personal computer that any financial aid adjustment will only increase my base cost of attendance budget. The effect of allowance will only be a possible increase in student loan eligibility and the maximum ECU dollar limit for a computer will be \$1,000.00. I understand if I have already been awarded the maximum allowable student loan amount for the academic year prior to this increase, then I will not be eligible for any additional funds and this will be the only time I may request an allowance for a computer.

An original receipt must be attached to this form.

If there are any outstanding charges on my ECU account then any increase in my loan eligibility will go first toward those remaining university charges.
